

Policies of Courses at EduNique

Dear Parents,

Welcome to EduNique! We are delighted to have you on board as we embark on your child's holistic learning journey.

To get started, please submit the form on our website or connect at +919773743007 along with your preferred payment method to receive a GST receipt. Then, log in to www.learningspace.edunique.in to select class timings and access the content.

Course Policies:

- **Punctuality Matters:** If a class is joined late, a compensatory session will not be provided.
- **Holiday Policy:** National holidays will not be compensated, but the total number of monthly classes will be covered.
- **Timely Fee Payment:** Fees should be paid one week before the current course period ends to ensure a smooth learning experience.
- **Fee Reminders:** Repeated reminders for payments may disrupt the flow of the course.
- **Rescheduling & Cancellations:** Requests must be made at least 24 hours in advance; otherwise, the class will be considered attended.
- **Mentor Interaction:** We encourage parents to connect with mentors on Saturdays & Sundays to discuss their child's progress.
- **Class Cancellations from EduNique:** If EduNique cancels a session, we will arrange a compensatory session at a convenient time.

- **Student Credentials:** Each child must have their unique ID and password or link before joining a class.
- **Classroom Conduct:** To maintain a focused learning environment, feedback-related discussions will be addressed only in dedicated Saturday & Sunday slots and not during class.
- **Learning Materials:** EduNique will provide all necessary learning content. We request students to maintain a separate notebook for their classes.
- **Batch & Timing Changes:** Parents can request a change in batch, days, or timings once every three months if needed.
- **Tracking Progress:** Please refer to your child's academic reports and progress chart to monitor their learning journey.
- **Pause Classes:** Pause periods are defined by the plan chosen by you , for 3 months plan you can take one week of Pause and 6 months plan you can take 2 weeks pause. These classes will be compensated only when next fees is paid.
- **Mentor:** The mentor remain constant through the course but teachers change according to the levels in courses and adaptability of a child in a course along with performance of a teacher.
- A mentor is responsible to create and manage plans. Teachers only implement the plan. So stay connected to them on every 2 weeks progress meetings that happens.
- **Homework & Retention Papers:**
Completing assigned homework and weekend retention papers is mandatory to continue classes.
Teachers have the right to restrict class access if work is incomplete. In such cases, class recordings will be provided.
